

O' precious one

يا غالي

O' precious one (darling), I'm worried
O' precious one, I'm in a "bad way" (tired state)
O' precious one

Why has your heart forgotten me
He abandoned me to my loneliness (my days)

O' precious one (darling), I'm worried
O' precious one, I'm in a "bad way" (tired state)
O' precious one

I can't believe that you'd stay away from me
That I'd suffer through my days
O' precious one

And you know my love
That I can't handle you leaving me

You are the meaning of my life,
My existence and passion

O' precious one (darling), I'm worried
O' precious one, I'm in a "bad way" (tired state)
O' precious one

O' you joy of my life
O' my soul and hopes
O' precious one

O' precious one why forget the nights?
Desert me so carelessly

Who else is left for me
In my life O' precious one

O' precious one (darling), I'm worried
O' precious one, I'm in a "bad way" (tired state)
O' precious one

يا غالي انشغل بالي
يا غالي تعب حالي
يا غالي

ليش قلبك نساني
جفاني بزمني

يا غالي انشغل بالي
يا غالي تعب حالي
يا غالي.. يا غالي يا غالي

وما اصدق تغيب عني
واعاني في ايامي
يا

غالي
وانت تدري حبيبي
ماقدر على فراقك

انت معنى حياتي
وجودي غرامي

يا غالي انشغل بالي
يا غالي تعب حالي
يا غالي.. يا غالي يا غالي

انت يا هنا عمري
يا روعي وامالي
يا غالي

يا غالي ليه تنسى الليالي
ترحل ولا تبالي

منهو غيرك بقالي
بحياتي يا غالي

يا غالي انشغل بالي
يا غالي تعب حالي
يا غالي.. يا غالي يا غالي
